This project involved designing visual content to support IEC's communication needs. I focused on delivering designs that were informative.

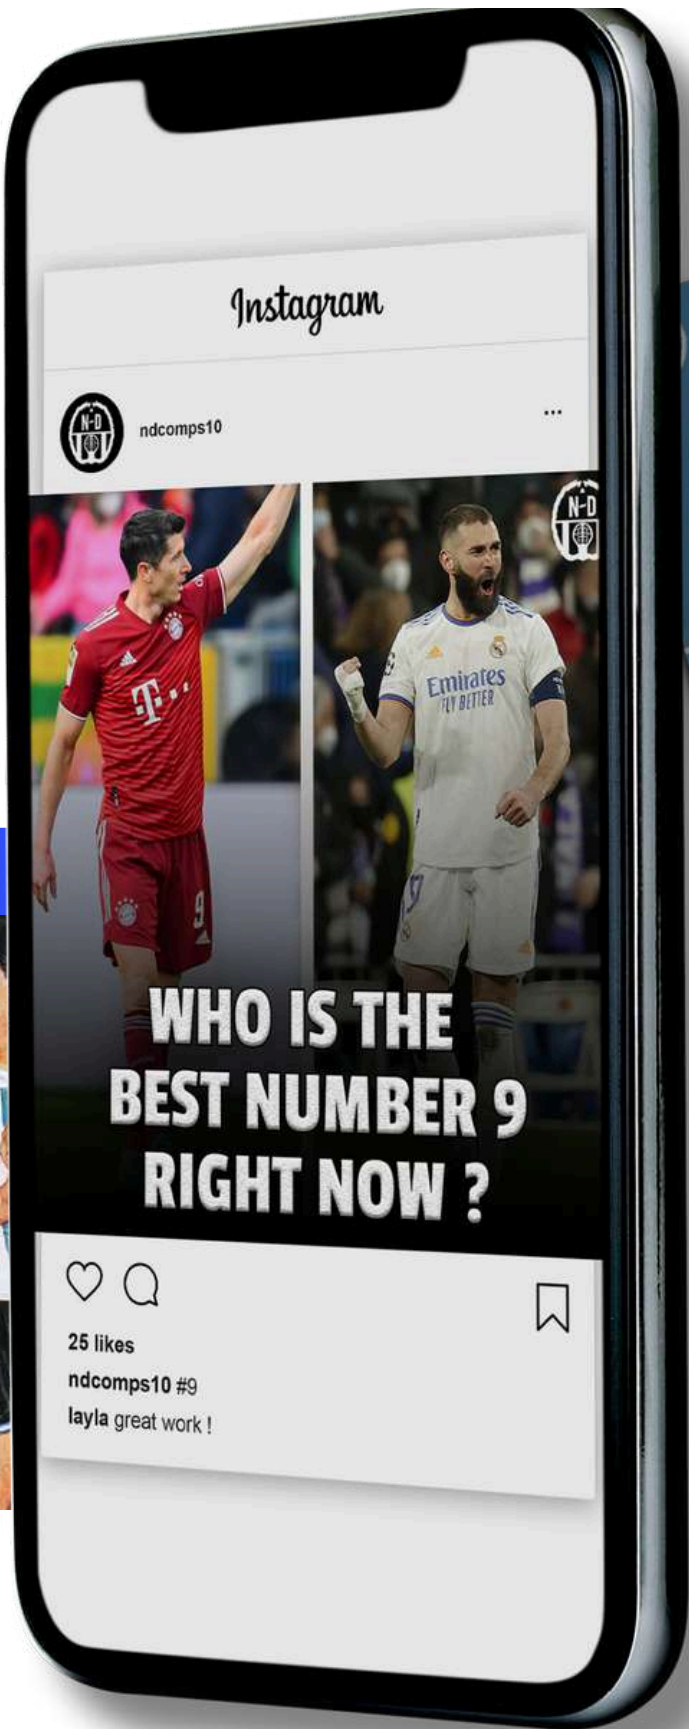

My role included assisting with IT-related tasks while also contributing to visual documentation and publication content. I ensured that digital materials were well-organized, functional, and aligned with the foundation's communication objectives.

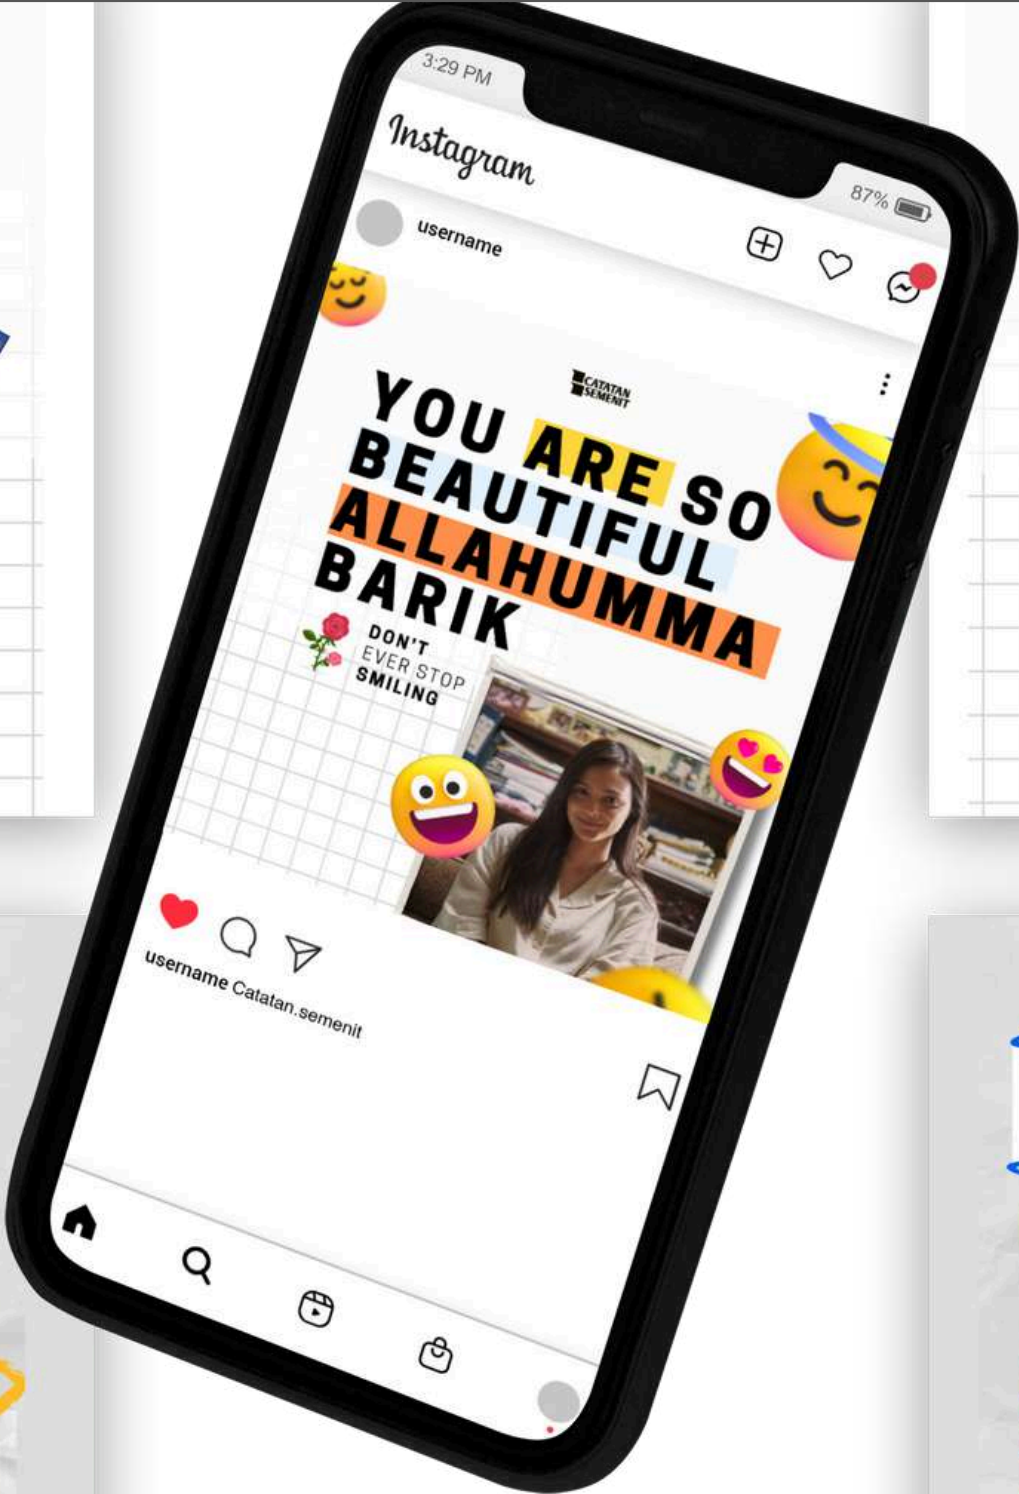

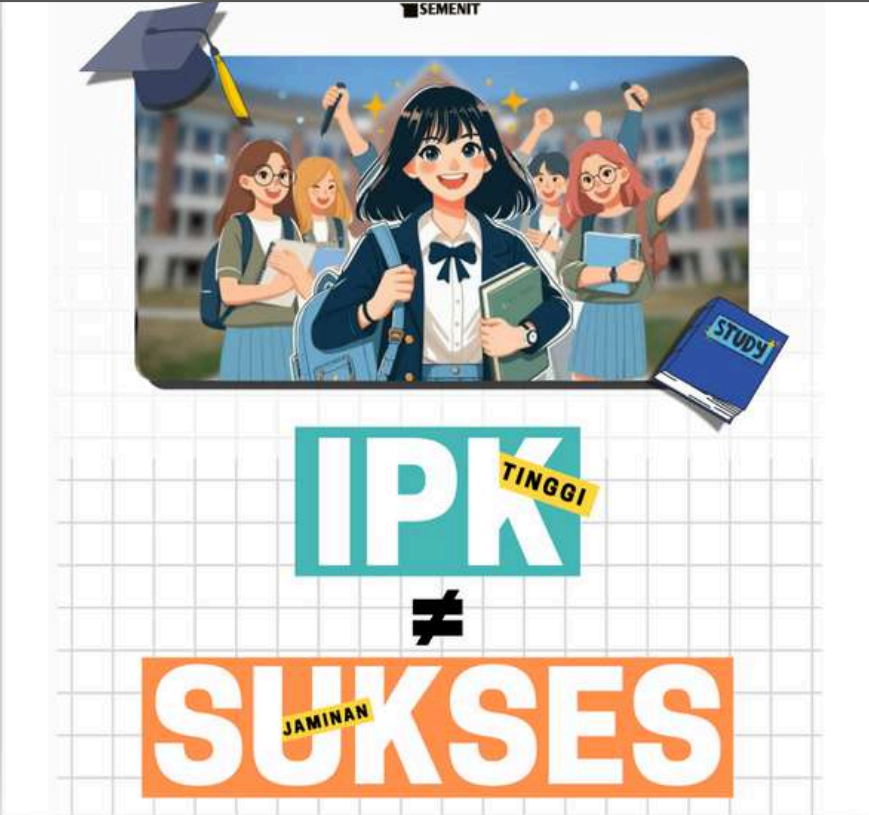

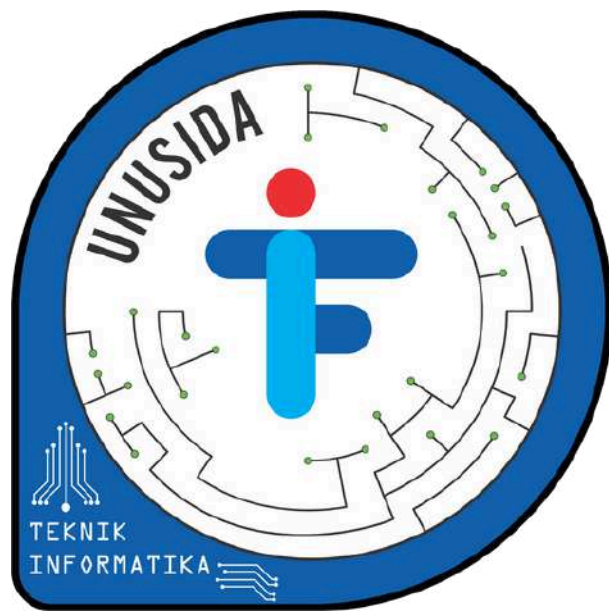

In this role, I developed designs that emphasized layout composition, typography, and visual consistency across various formats.

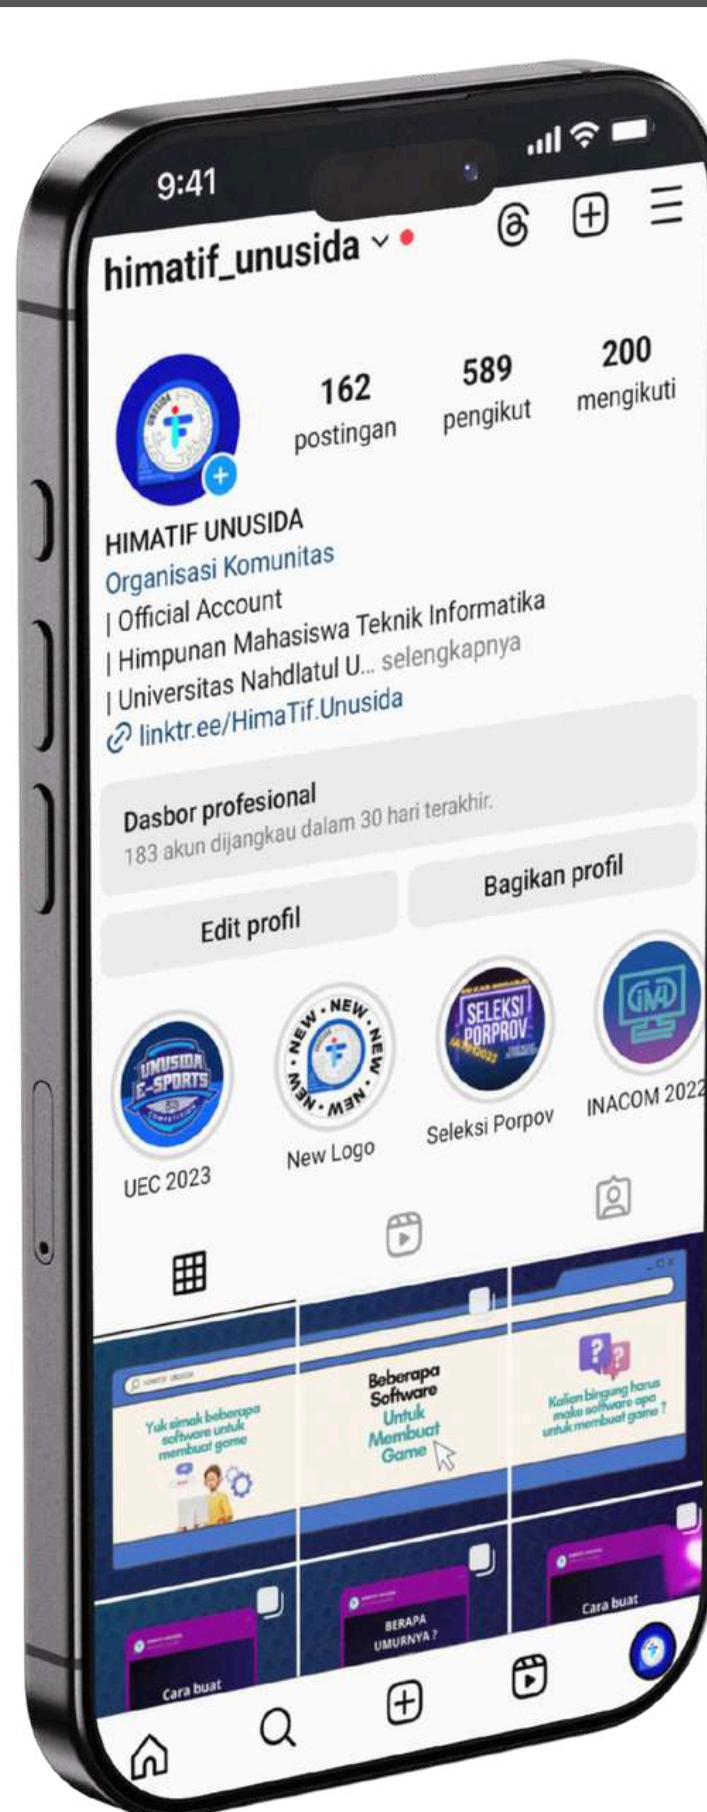

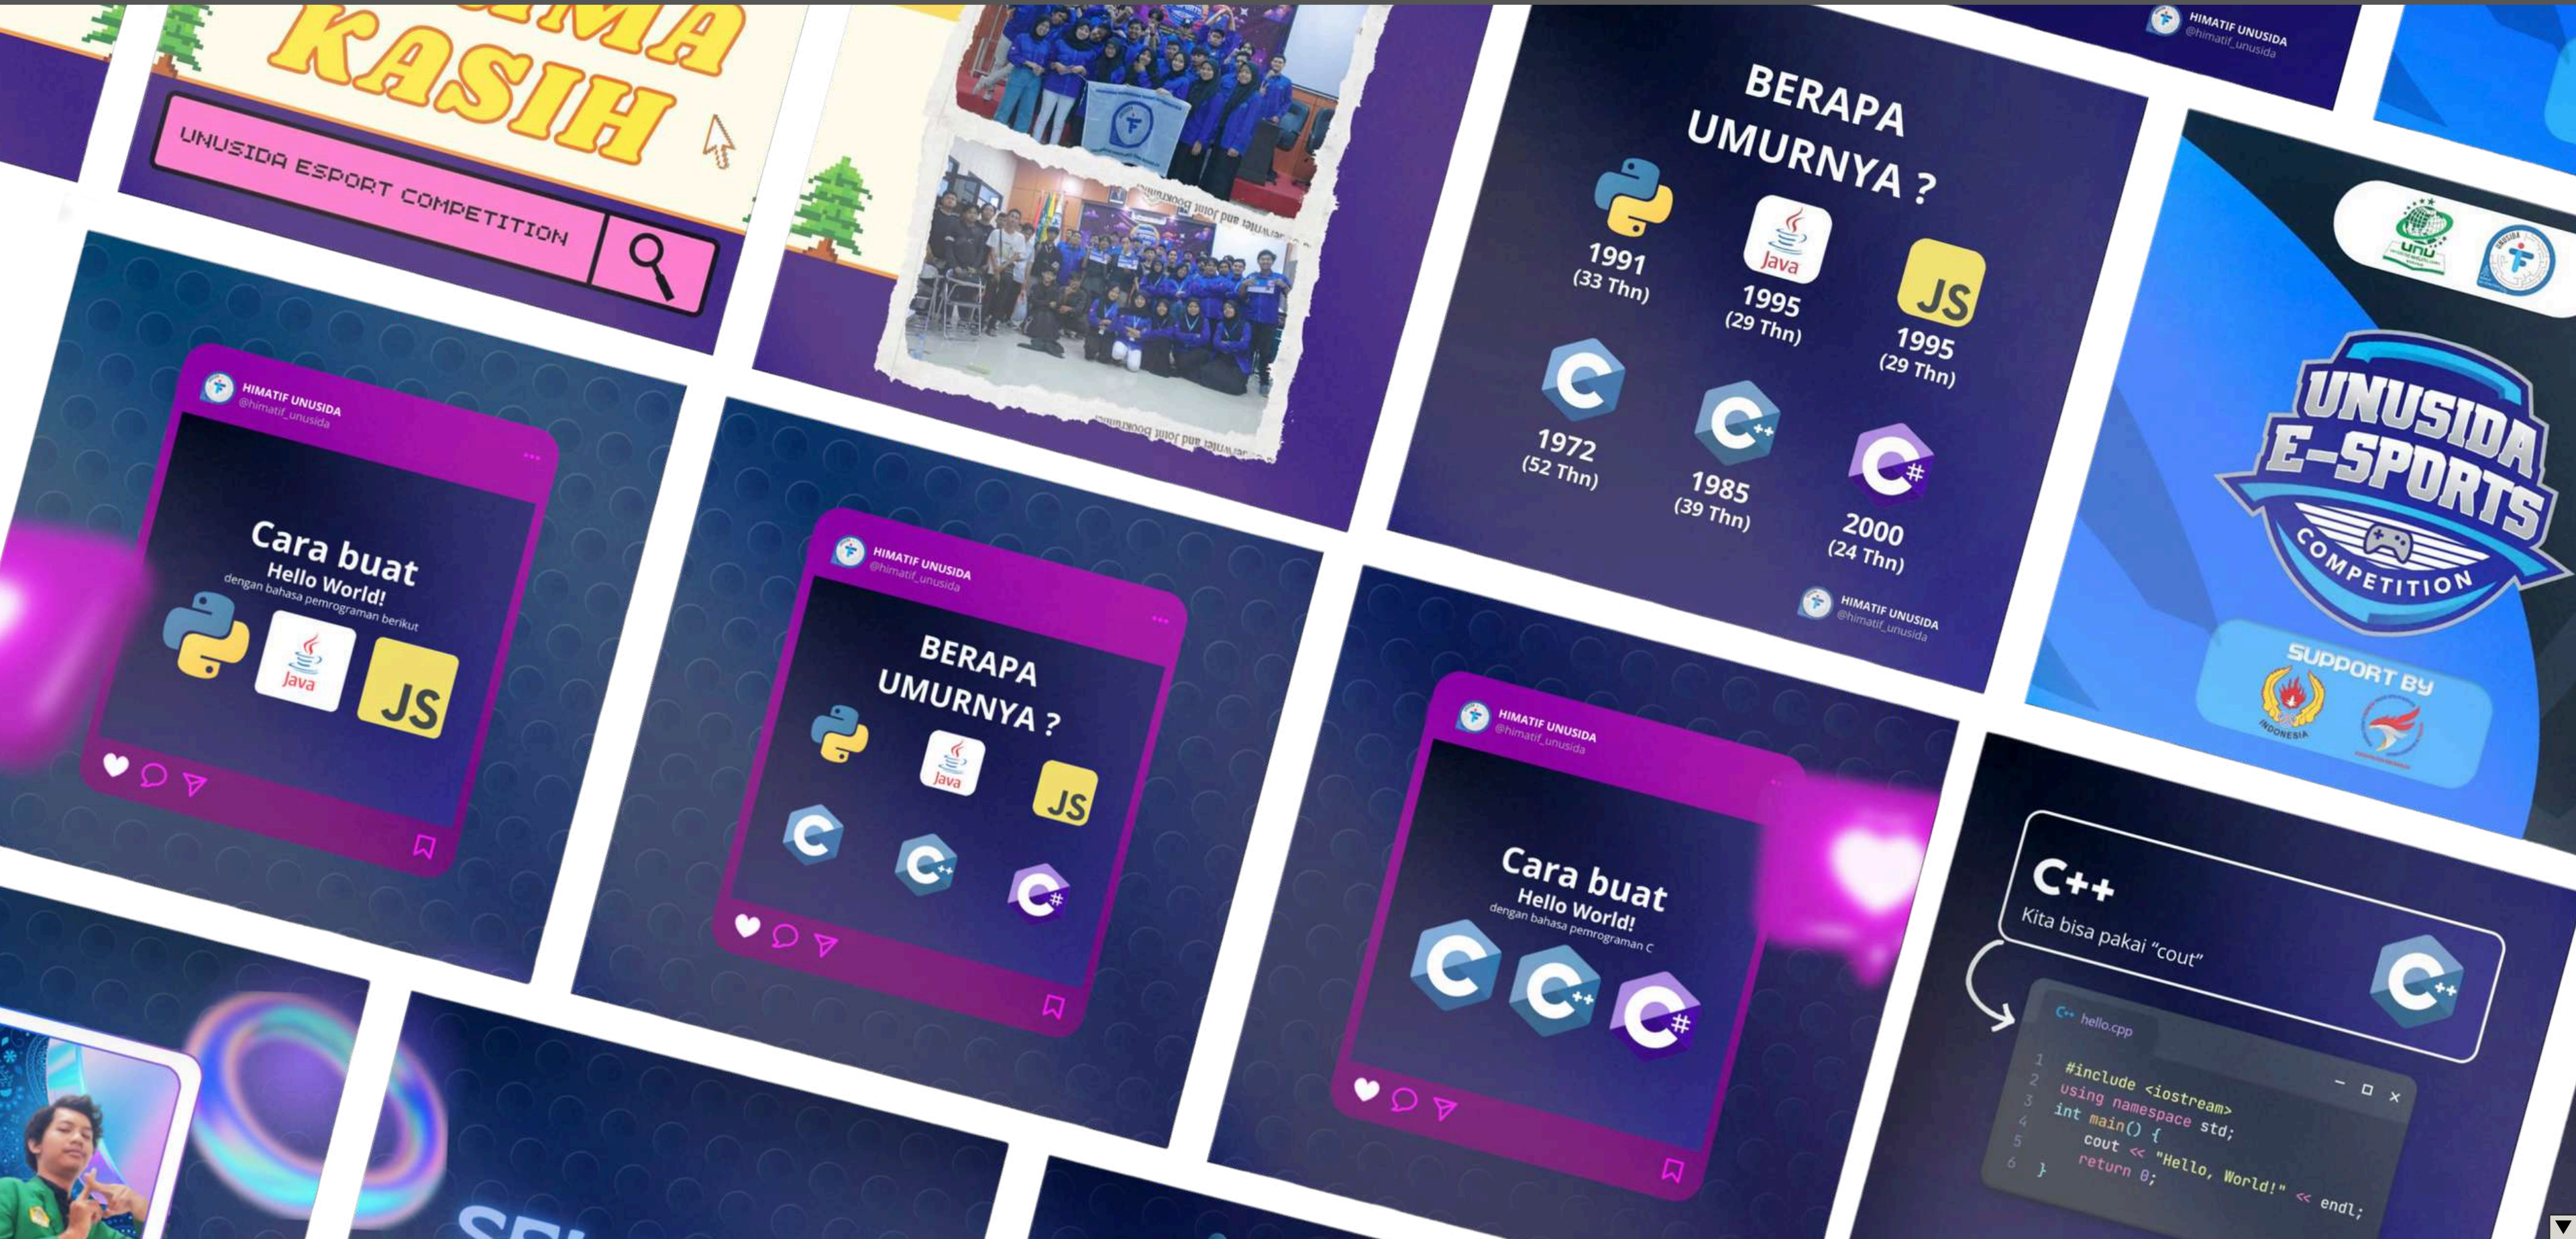

I created visual content aimed at delivering short, meaningful messages through social media.

The screenshot shows a web browser window. The address bar is empty. The website header is green and contains the logo of Yayasan Roudlotul Qur'an Az Zuhri on the left and a navigation menu with links: Beranda, Profil, Berita, Prestasi, and Galeri on the right. The main content area is mostly obscured by a large blue rectangle and a grey rectangle. A loading screen with the text 'loading...' in a pixelated font is visible in the bottom left. A sidebar on the right shows a dark image of a building at night with a staircase and a window, and a vertical stack of social media icons (YouTube, TikTok, Instagram) on the left.

Tentang Getuk Pisang Sahira

Khas Kediri - Berbahan dasar pisang - Di produksi di Kota Wisata Batu - Tersedia per-pcs maupun pack

Cerita di Balik Kelezatan

Resep Turun Temurun:

Dibuat dengan resep yang telah diwariskan secara turun temurun, menggunakan pisang raja pilihan terbaik dari kebun lokal Batu.

Bahan Alami:

Tanpa pengawet buatan, menggunakan gula aren asli dan santan segar untuk menciptakan tekstur yang lembut dan rasa yang autentik.

Proses Handmade:

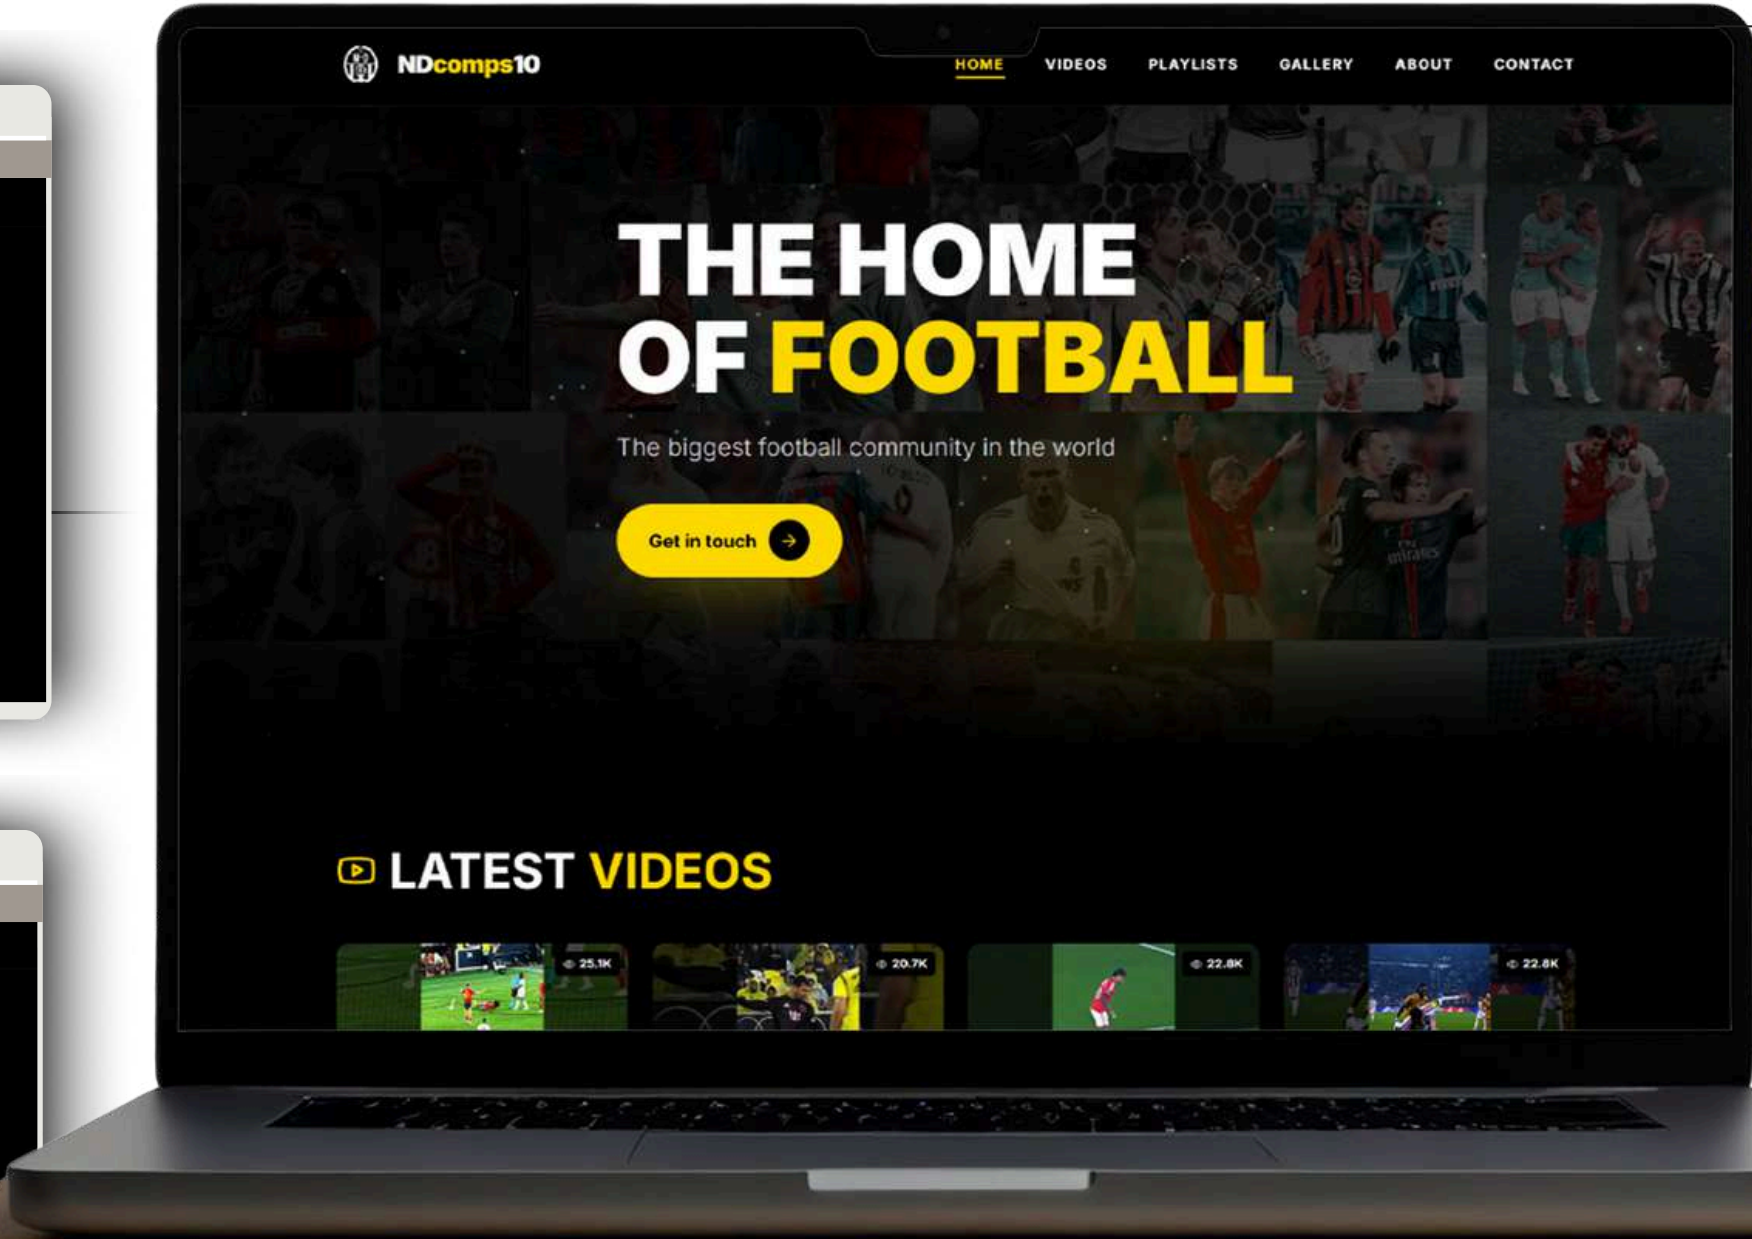

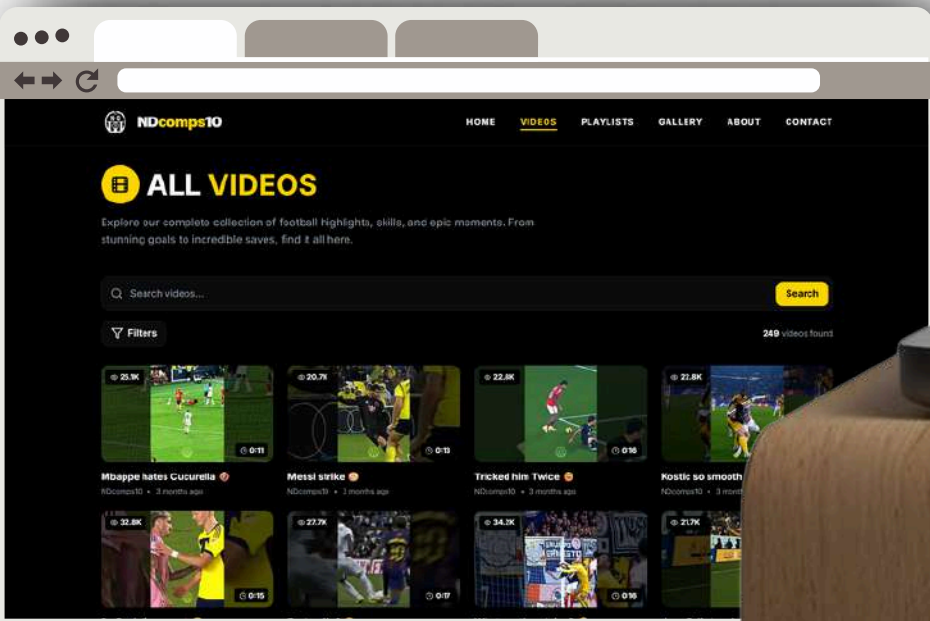

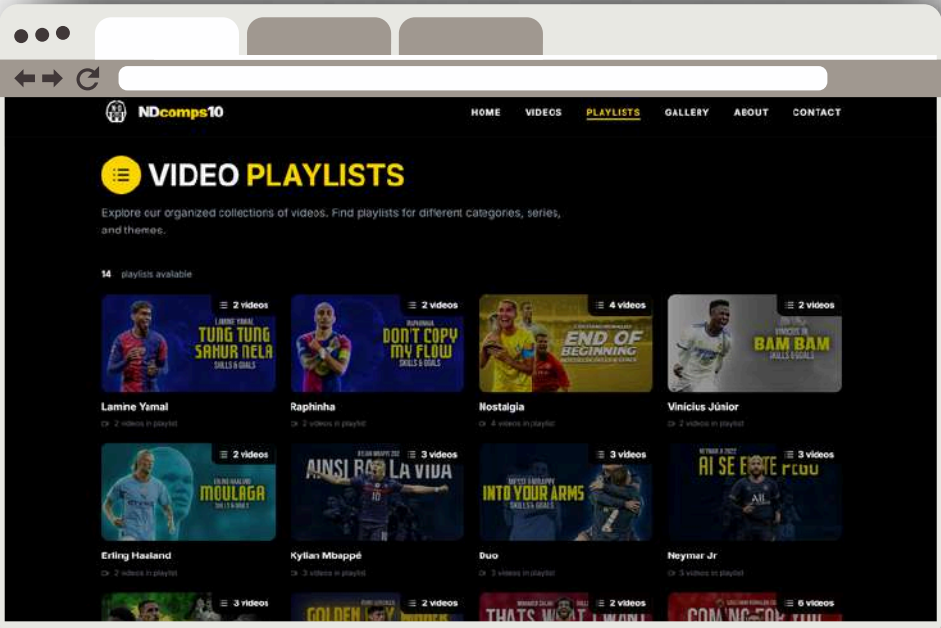

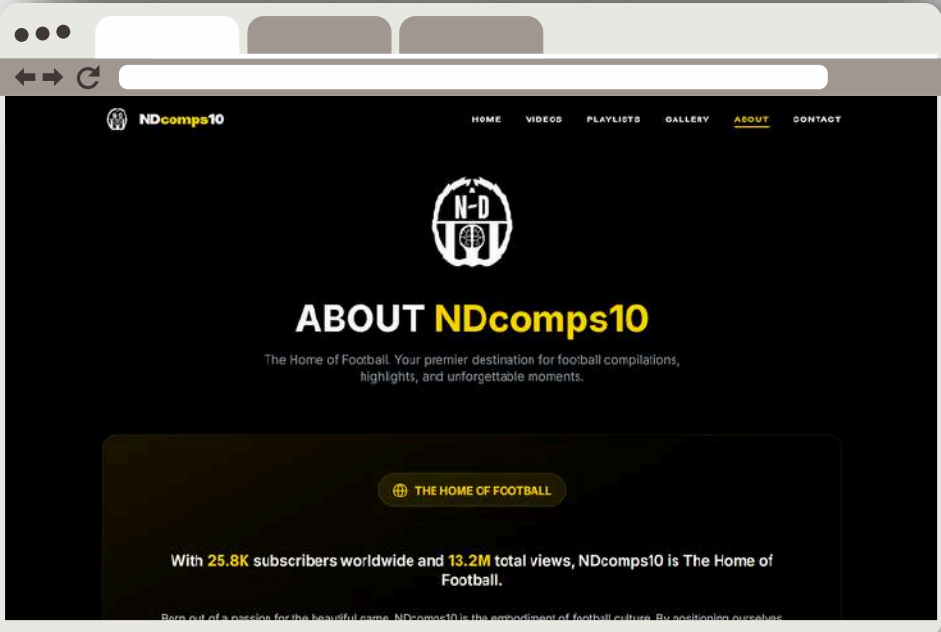

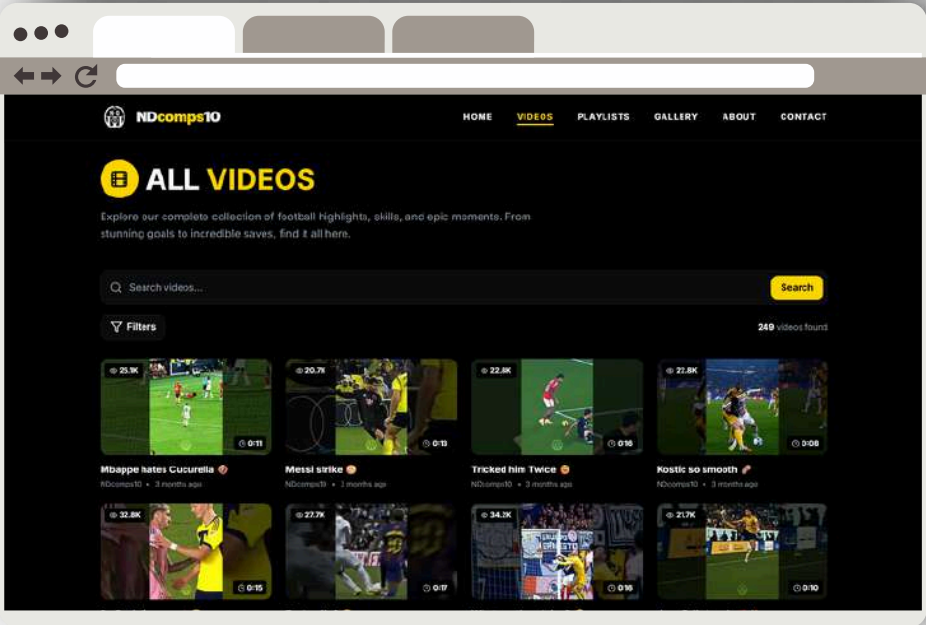

Setiap getuk dibuat dengan tangan oleh pengrajin berpengalaman, menjamin kualitas dan lezatan di setiap gigitan.

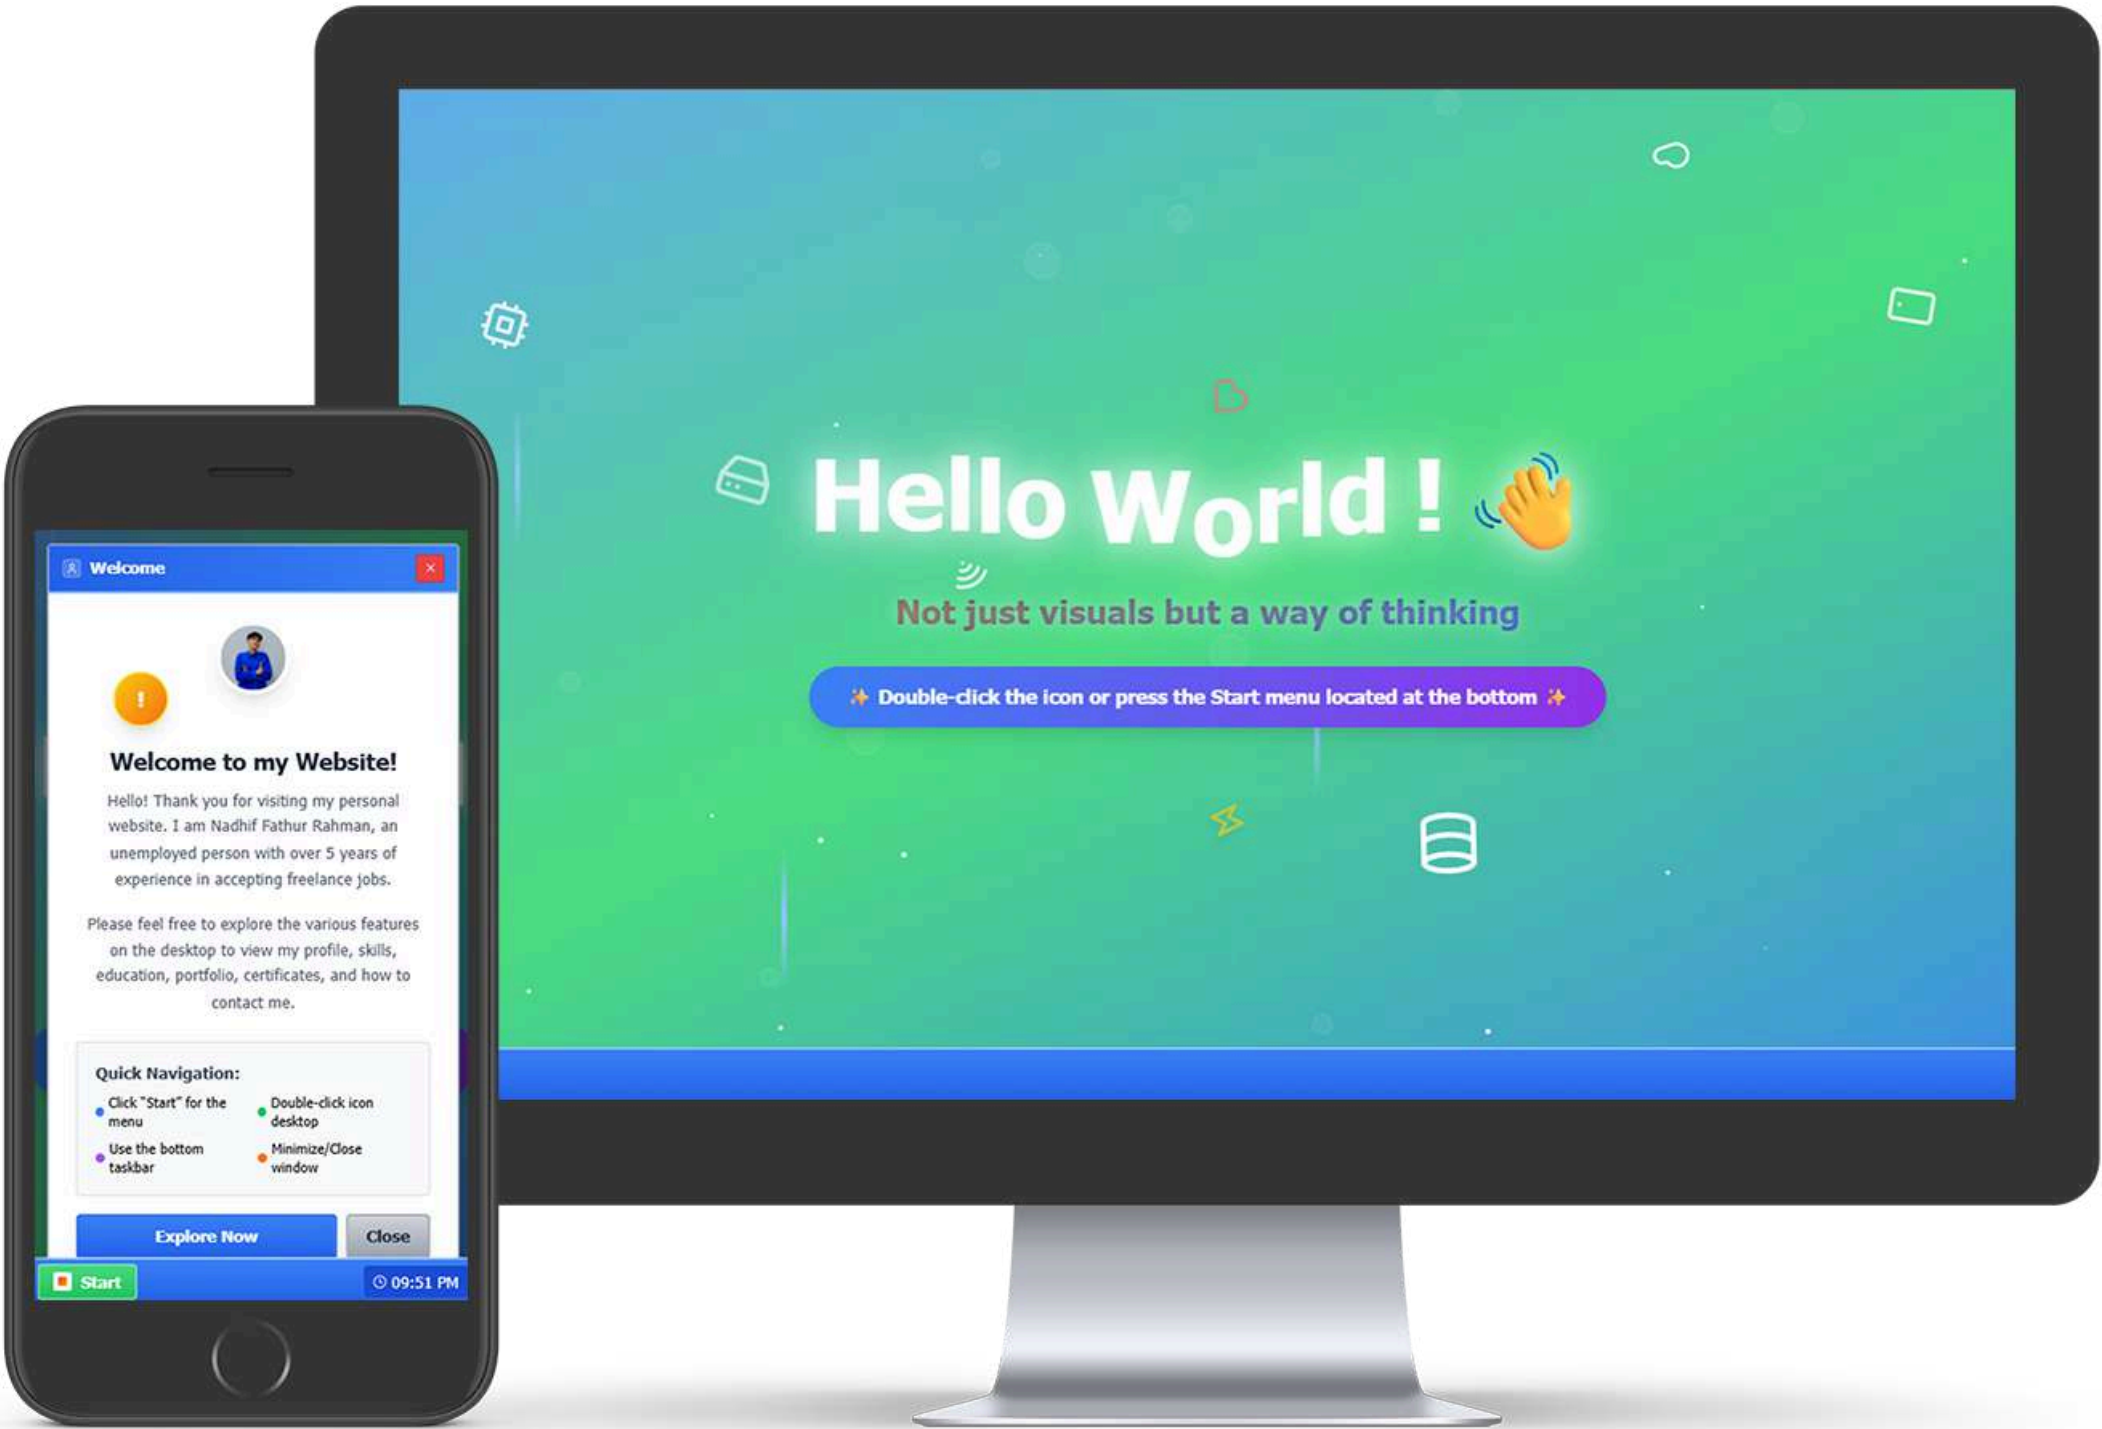

Kebanggaan Batu:

Menjadi salah satu khas kediri yang wajib dibawa pulang ketika berkunjung ke Kota Wisata Batu, Malang.
